

### Weekly Seminar

#### Nano Spin Conversion Science

**YoshiChika Otani**

**ISSP University of Tokyo & RIKEN CEMS, Japan**

**Time:** 4:00 pm, May 13, 2015 (Wednesday)

**时间:** 2015年5月13日 (周三) 下午4:00

**Venue:** Room W563, Physics Building, Peking University

**地点:** 北京大学物理楼 西563

### Abstract

Abstract content (intentionally obscured by noise for this exercise).

### About the Speaker

YoshiChika OTANI was born in [illegible] in 1960. He received B.S. (1984), M.S. (1986) and Ph.D. (1989) from [illegible]. He worked at [illegible] (1989-1991) as a [illegible] and [illegible] (1991-1992) as a [illegible]. He worked at [illegible] (1992-1995) as a [illegible]. He worked at [illegible] as a [illegible] from 2002 to [illegible]. He worked at [illegible] from 2004 to [illegible]. He is currently a [illegible] at [illegible].
